Introductory Note

The Black Watch Castle and Museum aims to offer a **world class learning service** to schools with the purpose of encouraging learning about the role of The Black Watch within war and conflict. The Black Watch recruiting area encapsulates Angus, Dundee, Fife and Perthshire and so has particular relevance to pupils in these counties.

A visit to Castle and Museum includes:

- **activities led by a trained Museum professional**
- **interacting with the Museum collections**
- **a 2-for-1 admission voucher for all participating pupils**

We are dedicated to providing the best quality resources in order to help pupils learn from our collection. Our learning programmes are focused on the collection that is the heart of The Black Watch Castle and Museum. The wonderful benefit of involving Museums in education is the **opportunity for students to handle and study primary source material and develop investigative skills**, and this is the core of the educational programme at The Black Watch Museum.

We are very keen to develop a programme that will benefit schools as much as possible and with that in mind we would welcome any **feedback, advice or suggestions** you might have and hope to work with teachers to make sure we maximise the potential of the Museum collections in this area.

The recent redevelopment of The Black Watch Castle and Museum included the building of an extension which now houses a **purpose-built Education Room**.

Please read over this document and then fill out a booking form (downloadable from our website in Word format) and return to Rebecca Berger, Learning and Audiences Officer at the Museum.

Activities

History Hunt

Time: 45 minutes

Curriculum Links: SOC 2-02a

Pupils will be provided with a worksheet to complete in the First World War gallery which will encourage their inquiry and reading skills. The answers will be reviewed at the end and further stories and information about the artefacts shared.

Memorial Wall Ceremony

Time: 5 minutes

Curriculum Links: SOC 2-06a

The Memorial Wall project is a First World War centenary project. Every day at 11:00 the names of The Black Watch soldiers who lost their lives on that day 100 years ago are read out loud during a very brief ceremony and a cross hung on the wall for each man. Pupils will have the project explained to them and will see a visual representation of the loss of life up until that point in the War, and will take part in the hanging of the crosses.

Uniforms and Weapons

Time: 30-45 minutes

Curriculum Links: HWB 1-20a, HWB 2-20a, SOC 2-02a, SOC 2-04a

Pupils will participate in a handling and dressing up session, examining the uniform and kit from the First World War. We will discuss the purpose and practicality of each item and pupils will have the opportunity to handle the objects, feeling the weight of the SMLE rifle and other equipment, and try some of the uniforms on.

Lance Corporal Finlay VC

Time: 30 minutes

Curriculum Links: SOC 2-02a, SOC 2-06a, SOC 1-03a

At the start of the session, pupils will see and handle medals from the First World War and discuss why soldiers receive medals and decorations and look briefly at the symbolism used in their design. As a group we will then look in detail at the story of how one man, Lance Corporal David Finlay, won his Victoria Cross during the battle of Aubers Ridge using drama techniques.

Outreach Service

We strongly recommend that you visit the Museum with your class. If, however, you are unable to bring your class to the Museum for a visit, we can deliver a limited number of outreach visits. Most of the activities above can be adapted for a classroom, excluding the History Hunt.

To arrange a visit to your school, please contact our Learning and Audiences Officer, Shonagh Lowerson-Head (learning@theblackwatch.co.uk).

There is a £50 suggested donation for outreach visits up to 3 hours long within a 10 mile radius from the Museum. A further donation of £0.40 per mile is suggested to cover travel expenses outwith a 10 mile radius.

Self-Guided Visits

If you would prefer to take your class around the Museum on your own, materials can be provided to help you on your visit. We can provide the worksheets for the First World War and Second World War galleries with accompanying notes. There are also Find & Tick sheets for very young visitors available from the Front Desk.

If you would like to come along for a self-guided visit, we ask that you still arrange a time for your visit with our Learning and Audiences Officer so that we can avoid clashes with other groups. This will also ensure that we have trails or worksheets available for your class when they arrive.

The normal admission fee for children will apply (£3.50 per person age 5-16). Accompanying adults will not be charged.

THE GOOD GALLERY GUIDE

for visiting groups

It is the responsibility of The Black Watch Castle & Museum to ensure a safe environment for your visit. However, children on group visits remain the responsibility of accompanying teachers and group leaders.

We want you to enjoy your visit but ask that your group respects the Museum environment, which they will be sharing with other members of the public.

Teachers must supervise pupils at all times. Museum staff are here to oversee a fun, easy and educational visit, but are not responsible for pupil behaviour.

During your visit children are advised:

- not to run
- not to leave the building without prior permission from a teacher/group leader
- not to touch exhibits
- to beware of areas of reduced lighting
- to beware of uneven flooring, steps and stairs
- to beware of doors closing on fingers
- not to enter any unauthorised areas - these are clearly marked
- not to go under or beyond any barriers
