Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 March 2023.

The Management Committee of the Friends of The Black Watch Castle and Museum ("the Friends") present their report and accounts for the year ended 31 March 2023.

Structure, Governance and Management

The Friends were established on 9 September 2010 and are governed by their constitution which was adopted at a General Meeting held on that date and amended at the annual general meeting held on 19 September 2012. The charity was registered under charity number SC041823 with effect from 13 October 2010 and accepted as a charity for tax purposes by HM Revenue & Customs on the same date.

Under the constitution the structure of the Friends consists of:

The Members. Members have the right to attend the annual general meeting (and any special general meeting) and have important powers under the constitution; in particular, the Members elect people to serve on the Management Committee and take decisions in relation to changes to the constitution itself.

The Management Committee. In a normal year the Management Committee holds regular meetings during the period between annual general meetings, and generally controls and supervises the activities of the Friends. The Management Committee is responsible for monitoring the financial position of the association. All members of the Management Committee act as Charity Trustees of the Friends.

The following acted as Trustees throughout the period under review:

Bill Macpherson	Chairman
Bruce Osborne (appointed 13 December 2022)	Treasurer
Rosemary Pitcaithly	Secretary
Anne Kinnes	Ex-officio
Sarah Riddell-Webster	
Major Ronnie Proctor MBE	
Nicola Small (appointed 13 December 2022)	
James Watt (resigned 13 December 2022)	

The maximum number of members of the Management Committee is seven.

The Chief Executive of The Black Watch Regimental Trust Limited is an ex-officio member of the Management Committee. A person is not eligible for election/appointment to the Management Committee unless he/she is a Member of the Friends.

At each annual general meeting, the Members may elect any Member to be a member of the Management Committee. The Management Committee may at any time appoint any Member of the Friends as a member of the Management Committee.

At each annual general meeting, all of the members of the Management Committee shall retire from office, but shall be eligible for re-election.

The Management Committee members elect from their number a Chair, Treasurer, Secretary and any other Office Bearer they consider appropriate. All Office Bearers cease to hold office at the conclusion of each annual general meeting, but are then eligible for re-election.

The Friends of the Black Watch Castle and Museum

The Friends of the Black Watch Castle and Museum

Trustees' Report (continued)

In furtherance of these objectives the Management Committee of the Friends:

1. Promote wide membership and organise events and other fund-raising activities so that it may support The Black Watch Regimental Trust Limited; and
2. Transfer surplus funds to The Black Watch Regimental Trust Limited from time to time to fund or partly fund expenditures which meet the objectives of the Friends.

The Friends events programme is arranged by an Events Committee. The following members of this Committee served throughout the year:

Sarah Riddell-Webster, Chairwoman

Rosemary Pitcaithly

Lt Col (Retd) Willie Coupar

Major (Retd) Hugh Rose

Bill Macpherson

The aims of the Events Committee have been agreed with the Management Committee and are as follows:

- Organising and running a series of events to encourage membership growth and raise funds to administer the Friends and for upkeep of the Museum.
- Promoting the Friends organisation and sharing the legacy of The Black Watch Regiment through events and social gatherings.
- Expanding membership to include the wider community as well as the Regimental family.
- Diversifying events to meet the wants of the membership and general public.

Achievements and Performance

We are pleased to report that a full lecture programme was possible throughout the year with 11 lectures held and we held a successful Cocktail Party in June 2022.

During the year to 31 March 2023 Friends membership increased from 305 to 314 memberships, an increase of 3%. This membership figure includes Couple and Family as well as Individual memberships so there are 411 members. With the shop and cafe now open we are hoping that the recruiting of new members will pick up.

Four donations were made to the Museum during the year to support their activities. A donation of £2,189.40 was made following a request from the curator to cover restoration work on the painting 'Portrait of George McCulloch' by Dawyck Haig. We made a donation of £1,000 to be used by the Museum to help cover the cost of transport for schools wishing to visit the Museum. Then in March 2023 we made a donation of £4,300 towards cost of the installation and documentation for 'The Hauntings' sculpture. As in previous years we also donated £2,500 for administrative support.

Financial Review

In the year under review the Friends generated funds of £11,264 (2022: £9,554) and expended funds of £13,481 (2022: £13,404).

Subscription income increased by 2% to £9,396 (2022: £9,238). This increase was less than the 3% increase in membership numbers noted above. This was because of the variety of ways in which membership fees are paid across the year.

The Friends of the Black Watch Castle and Museum

Trustees' Report (continued)

As well as support provided by volunteers the Friends are still dependent on work carried out without charge by the Museum. During the year the Friends made a donation to the Museum of £2,500 (2022: £2,500) in recognition of office services provided by the Museum in support of the Friends.

During the year the Friends made two further donations of £8,739 (2022: a donation of £9,422) to the Museum. These donations were made to support the activities described in the Achievements and Performance section of this Report.

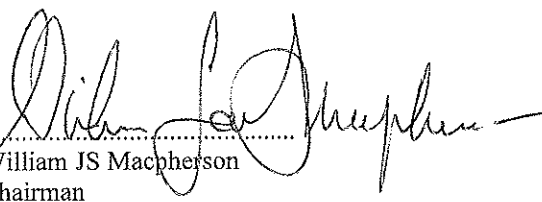

All other payments in the year totalled £2,242 (2022: £1,482). This year these other payments fell into four categories: £402 for printing, postage and stationery; £458 for insurance; £420 for the independent examiner's fees and £962 for hosting events and miscellaneous costs.

Cash at bank and in hand on 31 March 2023 was £2,227 (2022: £4,444).

The Management Committee intends to continue to generate a significant surplus from membership subscriptions while maintaining low overheads. This surplus will then be used to support the Regimental Trust (formerly the Museum) in the ways set out in the Friends' objectives which are described elsewhere in this Report. It is not the intention of the Management Committee to generate permanent reserves beyond the amount required as a prudent allowance for working capital.

At the Friends' Annual General Meeting held on 13 December 2022 Alexander Fyfe of Morris and Young was reappointed as the Independent Examiner for the Friends. The Management Committee will propose a resolution to reappoint Alexander Fyfe at the 2023 Annual General Meeting.

The annual report was approved by the trustees of the charity on 13 September 2023 and signed on its behalf by:
